The **Gallery Awning System** is a self-supporting canopy which offers consumers the luxury of added living space regardless of the weather. With this awning the fabric can be easily retracted to allow for a more open-air experience. The Gallery is capable of covering expansive areas—ideal for wedding events or expanded everyday dining for restaurants, bars, and cafés. Businesses can also utilize the additional space for seasonal sales and special events.

- Fixed or Retractable Systems
- Available in Three Roof Styles
- Weather-Proofing Rainwater System
- Optional Drop Screens or Curtains
- Self-Supporting Installations
- Ample Surface for Signage Graphics
- Hundreds of Fabrics and Colors
- Compliments Existing Architecture
- Extend the Outdoor Seating Season
